

How to run a group

Quick start guide

You want to lead a group of people through The After Party. Now what? Here is a step-by-step guide on how to get started.

STEP 1

Invite your church, friends, or family to join you. You can use the “how to pitch to your pastor” or “how to recruit your friends” guides found at redeemingbabel.org/additional-resources/.

Step 2

Register for the course at after-party.org. Once you are registered, you can login to your account to access the course in your “my courses” tab.

STEP 3

Read the facilitator guide found at redeemingbabel.org/additional-resources/. We have provided a list of best practices and instructions.

STEP 4

Print the PDF of the workbook found in the “Optional Participant Workbook” in the “Instructions for Small Group Leaders” section of the course, or ask your group members to register for the course to access their own private individual online workbooks built into the course.

STEP 5

Meet for six weeks with your group and enjoy the course!

Step 6

Fill out the end of course survey listed as “Session 6 – Homework” in the course and share what your experience was like to receive a free digital copy of The After Party book.
